Signature of Owner/Principal

By signing this agreement you have acknowledged that you have tested ORAJET and ORAGUARD materials and you have deemed them suitable for your intended applications. In addition, you have fully read and understand any and all processing and handling instructions as referenced in published technical sheets, product bulletins and installation instructions that pertain to ORAJET and ORAGUARD materials. These documents can be located in the Support section of the ORACAL USA website at www.oracal.com or by calling 888-ORACAL-1.

Once this form has been completed, please fax to: 912-851-5060, attention Director of Technical Services. We will review your information and upon approval issue a non-transferable warranty certificate to you within ten business days. Your OCS warranty is not valid until you have received the warranty certificate. If you have any questions please call 888-ORACAL-1 extension 130. Oracal USA reserves the right to discontinue this program at anytime without notification.

ORACAL USA would like to thank you for your participation in our warranty program and look forward to supporting you with the best customer service and products in the industry!
